INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Ezra International, Inc.

We have audited the accompanying financial statements of Ezra International (a Washington non-profit corporation), which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ezra International, Inc. as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1-ORGANIZATION & SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Mission and Programs

The mission of Ezra International, Inc. (the Agency) is to build a network of worldwide connections to fulfill a call to do the work of the Lord. The Agency is dedicated to supporting the return of Jewish people to the State of Israel (*Aliyah*). Its five-fold mission strives to 1) return Jews to Israel, 2) provide humanitarian aid, 3) care for the elderly, 4) rescue children and, 5) educate Christians about *Aliyah*. The Agency is incorporated in the state of Washington but operates within Orange County, State of Florida to better serve its mission. The major programs of the Agency include:

Aliyah — Provides support in helping Jews return to Israel by performing and documenting ancestry research to obtain Israeli visa's, arrange the transportation to the Israeli Consulate for visa interviews, help with the paperwork for an international passport, provide food and basic supplies during the months before the departure for Israel, and organize support once the move to Israel has been made.

Children's Program — Provides therapy, support, and temporary living quarters for abused children.

Financial Statements

The Agency maintains its financial records on the accrual basis of accounting. Revenue is recognized when earned, and expenditures are recognized when incurred. If an expenditure results in an asset having an estimated useful life which extends substantially beyond the year of acquisition, the expenditure is capitalized and depreciated or amortized over the estimated useful life of the asset.

Contributions

The Agency reports gifts of cash and other assets as restricted support if they are received with donor stipulations limiting the use of the donated assets. However, restricted gifts for which the donor restriction is met in the same period the gift is received are recorded as unrestricted revenue.

When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Agency reports gifts of long-lived assets, as well as gifts of other assets restricted to the acquisition or construction of long-lived assets, as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Temporarily restricted long-lived assets are considered to be released from restrictions as the asset is depreciated over its useful life. Absent explicit donor instructions about how long-lived assets must be maintained, the Agency reports the expiration of donor restriction when the donated or acquired asset is placed in service.

(CONTINUED)**

Support from Contributions

The Agency receives a substantial amount of its support from two donors. Two donors made up 41% and 40% of total revenue for the years ended December 31, 2014 and 2013, respectively. If a significant reduction in the level of support from those donors occurred, it could have a significant effect on the Agency's programs and activities.

Promises to Give

Unconditional promises to give are recognized as revenue in the period received. Pledges are discounted, using a market rate, to present value for collections expected in future years. Accretion of the discount in subsequent years is recorded as contribution revenue. Conditional promises to give are recognized when conditions on which they depend are substantially met. Promises to give are recorded at their estimated net realizable value. The Agency did not have any promises to give at December 31, 2014 and 2013.

Use of Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results may vary from the estimates that were used.

Statement of Cash Flows

Cash and cash equivalents include cash on hand and cash on deposit in financial institutions.

Excess Cash

The Federal deposit Insurance Corporation (FDIC) insures cash deposits at individual financial institutions up to a limit of \$250,000. At December 31, 2014 and 2013, the Agency had no deposits in excess of FDIC coverage.

Furniture and Equipment

Furniture and equipment purchased by the Agency is recorded at cost. Furniture and equipment donated to the Agency is capitalized at its estimated fair value. The Agency's policy is to expense the acquisition cost of equipment in the year it is purchased if its cost is less than \$500. Depreciation is provided over the estimated useful lives of the assets using the straight-line method. The estimated useful lives range from five to seven years for furniture, equipment, computers, and vehicles.

Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of furniture and equipment are sold or are otherwise disposed of, the appropriate cost and related accumulated depreciation amounts are removed from the accounts and any gain or loss is included in income.

NOTE 4 –DESIGNATED NET ASSETS

The Board of Directors has designated \$30,113 and \$19,469 from unrestricted funds to support its Children's Program as of December 31, 2014 and 2013, respectively.

NOTE 5 –CONTRIBUTED SERVICES

Contributed services are recorded as in-kind contributions for donated services requiring specific expertise. Many individuals volunteer their time and perform a variety of tasks to assist the Agency. The value of this contributed time is not reflected in the financial statements because the donated time is not professional in nature or does not enhance the value of non-financial assets as described in FASB ASC 958-605-50. The Agency did not have any contributed services that were recognized during the years ended December 31, 2014 and 2013.
