INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Ezra International, Inc.

We have audited the accompanying financial statements of Ezra International, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ezra International, Inc. as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1-ORGANIZATION & SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Mission and Programs

The mission of Ezra International, Inc. (the Agency) is to build a network of worldwide connections to fulfill a call to do the work of the Lord. The Agency is dedicated to supporting the return of Jewish people to the State of Israel (*Aliyah*). Its five-fold mission strives to 1) return Jews to Israel, 2) provide humanitarian aid, 3) care for the elderly, 4) rescue children and, 5) educate Christians about *Aliyah*. The Agency is incorporated in the state of Washington but operates within Brevard County, State of Florida to better serve its mission. The major programs of the Agency include:

<u>Aliyah</u> — Provides support in helping Jews return to Israel by performing and documenting ancestry research to obtain Israeli visa's, arrange the transportation to the Israeli Consulate for visa interviews, help with the paperwork for an international passport, provide food and basic supplies during the months before the departure for Israel, and organize support once the move to Israel has been made.

<u>Children's Program</u> — Provides therapy, support, and temporary living quarters for abused children.

Presentation Method for Financial Statements

The Agency maintains its financial records on the accrual basis of accounting. Revenue is recognized when earned, and expenditures are recognized when incurred. If an expenditure results in an asset having an estimated useful life which extends substantially beyond the year of acquisition, the expenditure is capitalized and depreciated or amortized over the estimated useful life of the asset.

Statement of Cash Flows

Cash and cash equivalents include cash on hand and cash on deposit in financial institutions.

Support from Contributions

The Agency receives a substantial amount of its support from two donors. Three donors made up 51% and 40% of total revenue for the years ended December 31, 2019 and 2018, respectively. If a significant reduction in the level of support from those donors occurred, it could have a significant effect on the Agency's programs and activities.

Promises to Give

Unconditional promises to give are recognized as revenue in the period received. Pledges are discounted, using a market rate, to present value for collections expected in future years. Accretion of the discount in subsequent years is recorded as contribution revenue. Conditional promises to give are recognized when conditions on which they depend are substantially met. Promises to give are recorded at their estimated net realizable value. The Agency did not have any promises to give at December 31, 2019 and 2018.

NOTE 1-ORGANIZATION & SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Contributions

The Agency reports gifts of cash and other assets as restricted support if they are received with donor stipulations limiting the use of the donated assets. However, restricted gifts for which the donor restriction is met in the same period the gift is received are recorded as without donor restriction revenue.

When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose restriction is accomplished, with donor restriction net assets are reclassified to without donor restriction net assets and reported in the statement of activities as net assets released from restrictions.

The Agency reports gifts of long-lived assets, as well as gifts of other assets restricted to the acquisition or construction of long-lived assets, as without donor restriction support unless explicit donor stipulations specify how the donated assets must be used. With donor restriction long-lived assets are considered to be released from restrictions as the asset is depreciated over its useful life. Absent explicit donor instructions about how long-lived assets must be maintained, the Agency reports the expiration of donor restriction when the donated or acquired asset is placed in service.

Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Agency and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions — Net assets that are not subject to donor-imposed stipulations. Includes public support and revenues which are not restricted by the donor and currently available for the support of the Agency.

Net Assets With Donor Restrictions — Net assets subject to donor imposed restrictions that may or will be met whether by actions of the project and/or the passage of time. Generally, the donors of these assets permit the project to use all or part of the income or gains earned on related investments for general or specific purposes. Net assets are released from restrictions when the purpose or time restrictions have been satisfied.

Use of Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results may vary from the estimates that were used.

Excess Cash

The Federal deposit Insurance Corporation (FDIC) insures cash deposits at individual financial institutions up to a limit of \$250,000. At December 31, 2019 and 2018, the Agency had uninsured balances of \$861,546 and \$781,681, respectively.

Notes to the Financial Statements Years Ended December 31, 2019 and 2018

NOTE 1-ORGANIZATION & SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Advertising

Advertising costs are expensed as they are incurred.

Furniture and Equipment

Furniture and equipment purchased by the Agency is recorded at cost. Furniture and equipment donated to the Agency is capitalized at its estimated fair value. The Agency's policy is to expense the acquisition cost of equipment in the year it is purchased if its cost is less than \$1,000. Depreciation is provided over the estimated useful lives of the assets using the straight-line method. The estimated useful lives range from five to seven years for furniture, equipment, computers, and vehicles.

Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of furniture and equipment are sold or are otherwise disposed of, the appropriate cost and related accumulated depreciation amounts are removed from the accounts and any gain or loss is included in income.

Employee Benefits

Accumulated annual leave is not accrued for the year ended December 31, 2019 and 2018 because no liability is held at year end for any employee.

Allocation of Indirect Costs

The financial statements report certain categories of expenses that are attributable to one or more programs or supporting functions of the Agency. These expenses include facilities, printing and office supplies, postage, and dues and subscriptions and are allocated based a ratio determined by management to be appropriate. Payroll and related costs are allocated based on time spent on each function.

NOTE 2 – CONTRIBUTED SERVICES

Contributed services are recorded as in-kind contributions for donated services requiring specific expertise. Many individuals volunteer their time and perform a variety of tasks to assist the Agency. The value of this contributed time is not reflected in the financial statements because the donated time is not professional in nature or does not enhance the value of a non-financial asset. The Agency did not have any contributed services that were recognized during the years ended December 31, 2019 and 2018.

NOTE 3 -WITHOUT DONOR RESTRICTIONS—BOARD RESTRICTED

The Board of Directors has designated \$24,061 and \$26,054 from without donor restriction funds to support its Children's Program as of December 31, 2019 and 2018, respectively.
