LOVE THEM

In March of 1987, two years before the fall of the Berlin Wall, the Director of Jewish Insights in the U.K. Grant Wetherall received the following word from the Lord.

Finding A Way

"I am calling my ancient people back to their homeland. And I have called you, My Church, to love them. Only you can show them the love I have for them. If you don't love them, who else will? Only through you will they see Me as their Messiah ...When you reflect My Glory. Love them like I love you. Have compassion on them, like I have had compassion on you. Forgive them like I have forgiven you. Show them mercy like the mercy I have shown you. Be tender hearted to them like I am with you and be understanding and patient. My Church you are all I have to love them. They are a hurt and rejected people.

Hurt and grieved for all that has happened to them. Wanting to love but suspicious at every turn. Show them My heart. You were all like them at one time, but I did not reject you. My love saved you! All I ask is show them the love I have shown you. Is this too much to ask?"

Twenty-five years ago, Ezra International accepted this challenge and has been showing God's love to the Jewish people ever since. Some of you may have recently joined us and many of you have been along for this journey for years. We cherish and appreciate every one of you and more importantly God sees your generosity towards His children.

As you know there is still so much work yet to be done. Abraham Joshua Heschel once wrote; "The categories of the Bible are not principles to be comprehended but events to be continued." Ezra International has answered this call and is committed to continue this prophetic work until every one of God's chosen people has had an opportunity to come home.

Helping impoverished Jewish people in there hour of need requires real, tangible, and practical action. We have chosen to be God's arms, hands, and feet in this generation. And so, we are back where we started. God is calling His people back to their homeland. God is calling us, His Church, to love them. If we don't love them, who will? All we ask is that we show them the love God has shown us. Is this too much to ask?

Will You Help Us

Regardless of the struggle and circumstances on the ground, Ezra International is there to serve the needs of impoverished Jewish people. We are witnessing a resurgence of emigration to Israel in 2021. But thousands of His Chosen Ones still need our help. Will you help us reflect God's love to them?

Faithful partners like you continue to help us meet this challenge and we are extremely grateful. **Will you help us again?** Your ongoing support is more important than ever before. Your donations are helping us **RESCUE** Jewish people from poverty and desperation. Your faithfulness results in the **RETURN** of Jewish families to their Biblical homeland. Your ongoing generosity is helping **RESTORE** hope to a whole new generation of Jewish people now home in the Promise Land.

Would you please pray and ask God what your response should be?
Help us Help Jewish people escape the global rise in antisemitism.

Please give your best gift today and may The Holy One of Israel bless you as you do.
