

For the LORD will have mercy on Jacob, and will yet choose Israel, and set them in their own land. Isa 14:1a

2023 Year in Review

01

Aliyah

In 2023 Ezra International helped a total of 9,430 Olim return to Israel from 17 different countries bringing our overall total to over 116,000 since the work began.

Thank you for your prayers and your giving to enable us to help so many Jewish people to get home.

02

Times of War

In the last 3 months of the year, despite the war in Israel, Ezra International helped 1,630 return home to Israel. This was despite delays in consular checks and many flights being cancelled. The war in Ukraine continues with most of those leaving for Israel now leaving via Moldova.

03

Anti-Semitism

Due to the war in Israel anti-semitism has surged in many countries. In the US there has been a rise in antisemitism by 400% since October 7th and worldwide a reported rise of 230%. In the month following October 7th France saw 1,518 antisemitic incidents; attacks in the Netherlands rose by 818% in the same period and in the UK by 537%.

A surge in Aliyah is expected in 2024 once the war has ended.
