# 2025 Year In Review

Praise God for His faithfulness over the 30 years that Ezra has been operating allowing us to help over 120,000 Jewish people return home to Israel.

Despite the ongoing war in Ukraine Ezra teams helped an average of 50 Ukrainian Jewish people per month make aliyah through Moldova in 2025. Ezra teams were also able to help almost 2,000 leave Russia and Belarus.

Due to the rise in anti-semitism large numbers of Jewish people continue to leave France and Ezra is helping to rescue, return and restore them! We are also seeing a significant rise in the number of Jewish people leaving Turkey with Ezra's help.

Thanks to God's help and your support Ezra teams were able to help 4,477 Jewish people make their aliyah in 2025.

Ezra Media received an "Outstanding Achievement" Award for Online Content, News and Documentary from the National Religious Broadcasters.

**THANK YOU** for your prayerful and financial support throughout 2025. The Lord is committed to this with all His "heart and soul" and our teams are too!
